

Our Living Mission Statement

Pacific Central Unitarian Universalist Young Adult (PCUUYA) strives to be an intentional young adult community that:

- Practices UU faith; welcomes, supports, and affirms
- Enables and encourages growth, exploration, and introspection both personal and communal
- Fosters equity, justice, and liberation

Our Living Covenant

Our community will create a safe and sacred space.

We will:

- Listen to ourselves
- Tend to our needs (emotional, spiritual, and physical) to the best of our abilities
- Ask for help as needed and empower others to voice their needs
- Agree to respond to conflict with honesty and respect
- Strive to leave behind the things that keep our hearts and minds closed and distracted; connect to our location and community.
- Respect each other's boundaries and practice a "Culture of Consent"
- Support equity in participation; balance collaboration with individual initiative

Hard and Fast Rules

We will not:

- Bring weapons of any kind, pets, unregistered friends, drugs, alcohol, or malicious violence
- Disrespect the rules and boundaries that are provided by the church or site ex: stay away from off-limits areas, smoke only in designated smoking areas, etc...

I agree to follow this covenant and these community guidelines that we, pcuuya, have created as a community.
